A Serious War in Asia Almost Inev-

**Its Probable Postponement Until Spring—
The Dangers which Attend a Mistake—
The Austrian Campaign—A Strong-
hold Captured—Albanian Aid
to the Insurgents—Hum-**

Preparations for War in India.
LONDON, Sept. 30.—Telegraphic dispatches from India leave little room for hope that the Afghan difficulty will be arranged peaceably. The government is hastening on military preparations. Troops are being collected from all sides and sent to various points on the north-west frontier of India. The Times commented

from Calcutta telegraphs as follows: "The government will make Lahore their headquarters for the winter and will not return to Calcutta. The Foreign Office has received orders from the camp at Lahore. This looks as if the Viceroy entertained no hopes of peace. The government are resolved to fight."

governments are anxious to avoid acting harshly. The Amerer has still the choice of submission open to him. In any event I doubt whether an attempt to invade Afghanistan on a large scale will be made until spring. Accurate information regarding the Amerer's strength is wanting, but it is known that he has a well-organized army of 15,000 men. He has 120

equipped standing army, after the European model, besides irregular levies. The most difficult question to be encountered is the possible hostile attitude of the border tribes. The faintest mistake in tact or error of judgment might excite a blaze of warfare along the whole frontier of 500 miles. It is estimated that these tribes can easily turn out 100,000 fighting men."

AUSTRIA'S CAMPAIGN IN THE PROVINCE.
VIENNA, Sept. 29.—General Philippovich, replying to an inquiry from the War Department, states that three divisions can be recalled from Bosnia by the end of October. The reserve force of the Corps of Observation will also be furloughed and a number of horses sent home.

VIENNA, Sept. 29 — General Jovanovich telegraphs that, on Saturday, after five days' violent bombardment, Klobuk, the last refuge of the Herzegovinian insurgents, surrendered, having made a brave defense. The destruction of the fortified rock was immediately commenced. The Austrian loss was trifling.

THE MOVEMENT IN ALBANIA.
LONDON, Sept. 29.—Reuter's dispatch from Belgrade says: "The Albanians are concentrating on Metrolivian and Salonica Railway, and are moving slowly but apparently with a definite purpose toward the Bosnian frontier."

held a mass-meeting here to-day to protest against the occupation of Bosnia. Deputies Helfy and Simonyi, the leaders of the movement, and many other members of the Hungarian Diet were present at the meeting, which was largely attended. Resolutions were unanimously adopted declaring that the occupation of Bosnia by Austria is fatal

to the Hungarian union; protesting against the sacrifice of the blood and money of Hungarians against their wishes, and demanding the withdrawal of the army from Roussa. The resolution will be forwarded to the ministers, and Parliament will be asked to pass a vote of want of confidence in the Cabinet.

A ROYAL RETROGRADE.

THE HAVEN. Sent by Intelligence here

AN INDIAN FIGHT.
A Brave Officer Killed and Three Men Wounded.

CHICAGO, Sept. 29.
To Lieutenant-General P. H. Sheridan:
The following has just been received from
Fort Wallace, JOHN POPE,
Brevet Major-General,
CAMP CHALK CREEK, SEPT. 28.
VIA FORT WALLACE, SEPT. 29.
We found the Indians waiting for us about 500

in the canopy of the Pamlico Woman's Port. Lieutenant Colonel William H. Lewis, Ninth Infantry, and three men were wounded. We got one dead Indian, seven fine head saddles, and sixty-two head of stock. We were protected by darkness from following tip our success.

I followed the trail this morning to this point from which I seen Lieutenant Gardner and Surgeon Davis with twenty five cavalry men, to escort Lewis and two wounded men to Wallace. The In-

Days, I think, will cross the railroad about Shert-
land Station. I will be on the line at the railroad
in their trail some time to-morrow, unless they
again lay in wait for us. The whole outfit is to-
gether. I think, and will probably cross the railroad
to-night. Please send, if possible, Dr. Davis or a
sub to me, with the dispatch that takes Colonel Lewis
to Wallace. I pull out on the trail tomorrow.

CHARLES E. MCKIN-
Captain Fourth Cavalry, commanding.

I have just now arrived here and reported to
 Captain Davis. The assistant colonel, Lewis died on
 the battle about eight o'clock.
 C. HARRISON,
 Lieutenant Nineteenth Infantry.

General Davis telegraphed as follows:

Fort Warren, Sept. 8.

Understand Goshute. No white Indian.

Arrived here with an escort and the remains of
Captain Lewis and two enlisted men at the
close of the morning. Captain Mack's dispatch
was sent to Lieutenant Colonel Sweeney at
11 a. m. I now know where the Indians are and can
begin to operate intelligently.

1. Lieutenant-Colonel W. H. Lewis, of the Nineteenth Infantry, was a graduate of the Military Academy in 1886, a native of Alabama.

DENVER, Colo., Sept. 25.—A special dispatch from Fort Wallace says: Colonel C. Gardiner, with a detachment of twenty-five cavalry, arrived here at one o'clock this morning, bringing the remains of Colonel W. H. Lewis, of the Nineteenth Infantry. The Indians

passed the railroad track, near Cadillac, early this morning, going north. General Jeff C. Davis, with a strong force, leaves here early tomorrow morning in pursuit. This is the fifth time these Indians have been engaged by the troops since they left the agency, near Fort Totten, two weeks ago.

Alleged Forger Arrested.
NEW YORK, Sept. 29.—A detective arrived today from Cleveland with Norman C. Martin, the George Warren, who was arrested in outgrowth last Saturday on suspicion of forging one of the forgers who obtained \$92,935 from the Union Trust Company last January.

Fire This Morning.
The alarm of fire from box 174, about half-

At two o'clock this morning, was caused by the discovery of fire in the cigar store of El and Poland, corner of New York avenue and thirteenth street. The fire was quickly extinguished. The store and its contents were damaged to the extent of about \$100.
